FOUR GIRLS WALK INTO A BARRE!

BARRE

Barre Class is more than a fitness class, it's a lifestyle. It's a combination of Pilates, yoga and dance. It's a workout that tones your body, improves your posture and gives you the things you don't even know you need.

Barre is a fun fusion of ballet, Pilates and power yoga. Your body is built by one tough, well-earned drop of sweat, one at a time, one at the barre.
